Dear Mrs Garrison

58 We have heard that you intended if possible to come & see our friend Miss Jane Ashley of this place. and have been congratulating ourselves much on the chance of seeing you – and we hope that if you do come you will stay the night at our house which is near to Miss Ashleys. Being Grand daughters of your friend Mrs Ashurst. we cannot let you leave England without our seeing

you, if only for a few minutes and therefore if you are not coming to Tunbridge Wells - you must (if you have not too many visitors already) - allow us a one of us to come & see you for an hour. before you go - as I shall come up to Town for that purpose - on any day that you could name.

Believe me my dear Sir

to remain

yours very respectfully

E. Ashurst Bigg.
